Introducing the all-new, all-electric Subaru Trailseeker!!!!. Blending advanced electric intelligence with real performance and the all-terrain capability Subaru is known for, Trailseeker isn't built for the road alone. It's a Sport Electric Vehicle™ (SEV) for those who refuse to stop at the pavement's edge and demand more from every journey. Underneath, a high-output dual-motor system delivers instant performance, working seamlessly with Symmetrical All-Wheel Drive and X-Mode to create the fastest, most capable all-terrain electric wagon Subaru has ever built. Delivering an exhilarating 280 kW and 0-100 km/h in just 4.5 seconds¹, Trailseeker responds instantly. At its core, a 74.7 kWh CATL battery delivers up to 533 km² of range, with 150 kW DC fast charging taking you from 10-80% in around 30 minutes. Key Features : Dual electric m...
